In case of non-timely notification of my departure in accordance with the above, and until the ceasing of the representation of my Establishment meter takes place, the Contract remains in force and, as a result, I am obliged to pay the amounts owed under the Contract to nrg. The date of termination of the Contract is taken as the date of the ceasing of the representation of the Establishment's meter, as determined by the competent Operator, pursuant to the provisions of the Network Management Codes.

The notice of termination of the Contract does not bring about the imposition of any charges against me, financial or otherwise, with the exception of the case where the notice of termination of the Contract takes place prior to the expiry of the Contract's minimum duration. In such a case, the notice of termination is valid and brings about its legal consequences, but NRG is nonetheless entitled to compensation, pursuant to the specific provisions of the Contract.
